Case No. CP-81-08

By Order No. 2234, served June 19, 1981, the Commission denied the above-captioned applications as follows:

Case No. CP-80-05 -- Authorization No. SP-55-04 expired on April 30, 1981, and cannot be extended or reinstated;

Case No. AP-81-15 -- there has been no showing of immediate and urgent need for temporary authority service as required by Title II, Article XII, Section 4(d)(3) of the Compact;

Case No. CP-81-08 -- the remaining fixed term of the involved contract is for a period of time less than the 181 day-minimum mandated by Commission Regulation No. 70-05.

On July 20, 1981, Call-A-Messenger, Inc. (CAM), filed a petition for reconsideration seeking expungement of specified language in the order, but "does not seek reconsideration of the Commission's decision."

Prior to our Order No. 2234, by letter dated June 17, 1981, petitioner took the position that its actions had been correct and deliberate and that it was the Commission's Order No. 2159, served October 31, 1980, that was "null" and "void" and "in conflict with" our own Regulation No. 70. Now, in its petition for reconsideration of Order No. 2234, petitioner asserts that there was a "misunderstanding," resulting from an unfortunate simple oversight compounded by an unfortunate inadvertent failure.

We have reconsidered the text of Order No. 2234 and conclude that petitioner's request shows good cause for deletion of three specified sentences, */ and that such deletion does not impair the rationale or result of that order.

THEREFORE, IT IS ORDERED:

1. That the above-referenced petition for reconsideration of the text of Order No. 2234, served June 19, 1981, is hereby granted.
2. That Order No. 2234, served June 19, 1981, is hereby amended by deleting the cited language.
3. That in all other respects, Order No. 2234, served June 19, 1981, is hereby affirmed.

BY DIRECTION OF THE COMMISSION, COMMISSIONERS CLEMENT, SCHIFTER AND SHANNON:

GREGORY PAUL BARTH
Acting Executive Director
